# ANNOUNCEMENT

CORDIAL INVITATION is extended to all interested in good cattle to attend this our eighth annual sale and feel sure that those who come will not be disappointed as the cows and heifers are individually extra good and there are also some extra good herd heading young bulls. The pedigrees herein catalogued represent some of the best and most popular blood lines of the Short Horn breed. All are Scotch of families that are producing the best show cattle of the present time, and commanding the most remunerative prices.

We guarantee all females that have been bred to be breeders, if given reasonable care. And our guarantee means, if they do not prove breeders they can be returned and tried by us, and if after six months they are not returned to the purchaser in calf, we will refund the purchase price and interest at five per cent per annum, and if they get in calf at the end of six months they will be returned to the purchaser in as good condition as when received, the purchaser paying the expenses on them both ways. Cows or heifers with calves by side, or six months gone in calf are considered known breeders and no further guarantee is made. Heifers not yet bred and bulls that do not prove breeders will be taken back and tried, provided they are returned in as good condition as when sold and if they do not prove breeders for us another animal as good will be given in exchange and if they prove breeders they will be returned to the purchaser in as good condition as when they came, the purchaser paying the expense both ways.

You will find, we think, more White Hall Sultan and Avondale blood in this offering than has ever been offered before in any sale. There are close to thirty head of granddaughters and grand sons of those great breeding and show bulls. We do not believe there has ever been a better bred lot of cattle cataloged by any breeder, from a Cruickshank, Duthie and Campbell standpoint; and we firmly believe that when you see the cattle you will say their individual merit is fully up to their breeding. We believe they cannot help but prove great investments to those who buy them.

Yours fraternally,

**Geo. Allen & Sons**

### **Terms and Conditions of Sale**

**Victor Sultan 296335**—is nearly every inch a show bull and from a good dam. He is a deep red in color. As a sire there are very few his equal, as he has never bred a poor one, either in males or females.

**Bessie 33d**—is own sister to Bessie 30th, the dam of the great champion bull, Sign of Riches. The two cows are much alike, both smooth and level, and great milkers.

**Whitehall Sultan 163573**—is generally recognized as one of the best, if not the best, and most valuable Short Horn bull of the day. He has been a great winner in the show ring and his get are some of the very best Short Horns to be found in any country. Whitehall Sultan was sired by Bapton Sultan and has for dam the beautiful cow, Bapton Pearl, a champion of both Brittain and the U. S. A significant prize to the credit of Whitehall Sultan was the winning of his get as best four at the last two Internationals

**Spicy Robin 134607**—was bred by J. D. Willis and has produce doing excellent service in American herds. He is a grand sire to Imp. Cock Robin, now in the herd of I. M. Forbes & Son. Spicy Robin

**Avondale's**—career in the show ring since a calf is too well known to need comment. He was king of his class on the big show circuits as a calf, a yearling and a two-year-old, and we believe he has more calves to his credit than any show bull of the present time. He was got by White Hall Sultan out of Imp. Avalanche 2d and there are few bulls living that can boast of show yard parents that can class with them.

**Baron Rose 215612**—got by Baron Lavender 4th 84525, and he by the famous sire, Imp. Baron Victor 42824, out of Imp. Lavender 34th by Roan Gauntlet 45276. The dam of Baron Rose was Crown Rose by Ducal Crown 97149.

**The Missie Family**—the Missie family on account of having produced more high class Short Horns during the past twenty years than any other is conceded to be the most valuable family in existence. Eighteen members of this family sold at the dispersion of the Uppermill herd for an average of \$830. Missie 153d was selected in 1901 by Mr Marr as his best Missie and consigned from his pasture without special fitting to the Inter-national sale in Chicago where she was sold for \$6,000.

**Golden Lady 4th 96663**—is one of the famous Cruickshank Brawith Bud family and is a very nice formed cow. She is bred well enough to go into any herd in the country. In fact, I don't think a better pedigree could be written. She is well along in calf to Avondale's Best 333417.

**Victor Sultan 296335**—is nearly every inch a show bull and from a good dam. He is a deep red in color. As a breeder he is well known, as he never bred a poor one either in males or females.

**Silver Plate 145554**—was for a time on hire in the King's herd at Windsor and afterwards famous as a stock bull at Bapton Manor. He won, besides other prizes, 1st at Newport in a large class. He belongs to the Inverquhomery Rosewood family, which has furnished many Smithfield winners. His sire was Waverly, a bull that after winning at the Highland Society's show in Aberdeen in 1894, was purchased not only for his great merit, but because of his excellent breeding, for he was by Mr. Bruce's Bendigo, who was a son of Clear-the-Way, from Augusta 8th. Silver Plate's dam was Rosewood 67th by Wellington (68076). He has been one of the most successful sires in Great Britain, as the winnings of his produce not only in Britain, but on this continent at the various shows will testify. The champion heifer of the United States in 1904, Hanna's Village Belle 2d, is one of his daughters.

**Clipper 3d 70747**—here is a nice Cruickshank cow—can't be anything better bred. She has been a regular breeder, and she leaves some heifers on the farm that speak for her and me in the sale. She is well along in calf to Victor Sultan 296335.

**Imp. Bapton Coronet 185918**—was bred by J. D. Willis and imported by C. L. Gerlaugh, Osborn, Ohio, and has proven an excellent sire in the herd of F. W. Ayers.

**Silver Plate 145554**—was for a time on hire in the King's herd at Windsor and afterwards famous as a stock bull at Bapton Manor. He won, besides other prizes, 1st at Newport in a large class. He belongs to the Inverquhomery Rosewood family, which has furnished many Smithfield winners. His sire was Waverly, a bull that after winning at the Highland Society's show in Aberdeen in 1894, was purchased not only for his great merit, but because of his excellent breeding, for he was by Mr. Bruce's Bendigo, who was a son of Clear-the-Way, from Augusta 8th. Silver Plate's dam was Rosewood 67th by Wellington (68076). He has been one of the most successful sires in Great Britain, as the winnings of his produce not only in Britain, but on this continent at the various shows will testify. The champion heifer of the United States in 1904, Hanna's Village Belle 2d, is one of his daughters.

Barmpton Flower, in this pedigree, was the dam of the great herd bull, Barmpton 37763, used for many years by Mr. Cruickshank. He was the sire of Earl of Aberdeen 44992, Baron Victor 44944, the great Spartan Hero 77932, and several other bulls imported from 1880 to 1885—a set of bulls to which is largely due the popularity of the Cruickshank cattle in this country. **Avondale's Pride**—is a nice, rich roan Nonpareil, with breeding that can't be beat. Don't overlook him.

**Avondale's Best 333417**—is a roan, calved March 28, 1909; bred by Carpenter & Ross, Mansfield, Ohio, and has for his sire the noted show and breeding bull, Avondale 245144, and the dam, Sunbeam Violet 5th by Baron Rose 215612; tracing to Imp. Sunbeam by Royal Violet 58684, and is now one of the present herd bulls at the Golden Hoof Stock Farm.

**Victor Sultan 296335**—is a dark red in color and a grand good bull and sired by the great White Hall Sultan 163573; Imp. Bessie 52d, bred by W. S. Marr, by Spicy Robin 134607, bred by J. D. Willis, g. d. Bessie 33d by Athabasca 90206, Bessie 33d is own sister to Bessie 30th, the dam of the great English Champion bull, Sign of Riches.

**March Knight 188105**—head herd bull at Meadow Lawn, is a bull for which we feel we are justified in making some strong claims. As a breeder, his ability to transmit his individual excellence to his offspring has been amply proven. Individually he is a bull of wonderful substance, extraordinary constitutional vigor and unsurpassed digestive and feeding qualities. He is a great natural flesh-carrier, and for uniformity and thickness in conformation, is practically beyond criticism. He has become one of the truly great sires of the breed; in fact, the record of his get in class and group contests at the leading state fairs and international expositions, shows him to be one of the greatest sires of prize-winners of the breed

**Gloster Chief**—is a Cruickshank Duchess of Gloster. With his breeding and individual merit, he ought to be right to go in any herd. Don't overlook him.

**The Cruickshank Duchess of Gloster Family**—is perhaps one of the best known families among the Cruickshank Short Horns throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871 and she has been the foundation of a great number of Short Horns that for milking and feed qualities can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific, and it is safe to say that none has done more good to the breed and their owners.

**Lavender Count 3d**—is a nice red Cruickshank bull of the Lavender family. His breeding can't be beat. With his breeding and individual merit he ought to be right to go anywhere.

**The Lavenders**—were always very highly esteemed at Sittyton and Mr. Cruickshank attributes much of the excellence of the Sittyton herd to the blood of the Lavenders as they are a family distinguished for their neatness of bone, mellow handling, fine fleshing qualities and development of good milkers. One of the grandest cows ever owned at Linwood was of this family.

**Royal Sultan 364129**—red, calved November 15, 1909; bred by Geo. Allen & Sons, Lexington, Nebraska, got by Victor Sultan 296335, out of Missie of Browndale 11th by Royal Victor 138565—tracing to Imp. Missie 99th by Elocutionis 47822.

**Godwin 115676**—roan, of 1893; bred by Messrs. W. A. Harris & Son, of Linwood fame, a richly bred Cruickshank and is conceded to be one of the best sires in the United States; a son of the renowned Imp. Spartan Hero 77932, and Imp. Golden Thistle by the great Sittyton sire, Roan Gauntlet 45276. Godwin is a full brother to the noted Godoy.
